Hello all,

I hope all is well in your life. I have had a talk with our legal counsel, and we have decided we want to try to get one meeting in before the end of the year. I was looking at the last week in November. Monday specifically looks good, but I want to ask you all what day of that week is the best for you? It will be very important to make a quorum for this meeting. I look forward to seeing each one of you. Thank you for all you do for life.
